

A festive Christmas wreath is displayed against a plain white background. The wreath is circular and made of a dense base of gold tinsel. It is decorated with a variety of ornaments: large red and green matte spheres, smaller red and green glossy spheres, silver and gold metallic baubles, and a prominent large red ornament with a diamond-shaped faceted pattern. The wreath is hanging from a small silver hook at the top. In the upper left corner, there is a faint blue logo with the text 'SEN MASINE' and a stylized 'S' shape.
