

A clear plastic box containing gold Christmas decorations. The box is filled with several large, five-pointed star-shaped ornaments with a textured, glittery gold finish. Interspersed among the stars are smaller, round gold baubles, some of which have a smooth finish while others are also textured. The decorations are packed closely together, and the box is sealed with a clear plastic cap at the top. The entire package is set against a plain, light-colored background.

000 00 00 000000 00000000 000 0000000 "0000000000" 000000 00 000000 00!
