

A long, vertical Christmas garland is displayed against a white background. The garland is composed of a dense string of small, dark tinsel interspersed with larger, round ornaments in shades of blue, silver, and black. The ornaments have various finishes, including matte, glossy, and textured. The garland is hung by a thin wire at the top, which is visible as a small hook on the left and a clip on the right. A faint watermark with the text 'SEN MA' and a stylized logo is visible on the left side of the image.
