Certificate:	REACH, RoHS, EN71, CE etc

Packaging:

A blue Christmas ornament is centered inside a clear, transparent cube. The ornament is a solid, glossy blue sphere with a small silver-colored cap and a loop at the top. The cube is made of clear material, possibly acrylic or glass, and is shown from a slightly low angle, casting a soft shadow on the surface it sits on. The background is a plain, light gray.

A black box containing four golden Christmas ornaments.

Three Christmas tree baubles by Elliott and Butcher are shown in their original packaging. The packages are blue, red, and pink, each featuring the brand name 'elliott and butcher' at the top. The blue package is labeled 'Grandmother's First Christmas Tree Bauble' and shows a circular illustration of a woman. The red package is labeled 'Baby's First Christmas Tree Bauble' and shows a circular illustration of a baby. The pink package is labeled 'Grandmother's First Christmas Tree Bauble' and shows a circular illustration of a woman. Each package also features a small snowflake icon in the top right corner.

The collage features several images related to shipping and logistics. The largest image shows a blue container on a truck in front of a building. Smaller inset images include: a container interior with an American flag, a container with the text 'BFX06', a container with a Maersk logo, and a container with a yellow label.

Production process:

1. Prototype

2. Oiling

3. Electroplating

4. Spraying

5. Drying

6. Assembling
