

OEM ODM Custom LOGO Pattern Shatterproof Plastic hanging Christmas Balls ornament

If you have any needs, you can send us your logo/patter/photo, and our designer will draw a preliminary rendering for you based on your needs

Provide round and flat balls
The material is shatterproof plastic

Available in different sizes and colors

Regarding the shape, we provide round, half sided and flatballs. If you want other shapes, please contact us;

Regarding the size, we offer 6cm to 60cm. Regardless of the size you want, we support customized logos.

Generally speaking, 6cm, 8cm, and 10cm are the three sizes that are more commonly shipped;

A blue Christmas ornament is shown inside a clear cube. The ornament is a solid blue sphere with a silver-colored cap and a small loop at the top. The cube is transparent, and the ornament is positioned in the center. The background is white.

Three Elliott's Christmas Tree Baubles are shown side-by-side. Each box is a different color: blue, red, and pink. Each box features a circular window showing a different Christmas scene. The blue box is labeled 'Gingerbread's First Christmas Tree Bauble', the red box is labeled 'Bugsy's First Christmas Tree Bauble', and the pink box is labeled 'Snowflake's First Christmas Tree Bauble'. Each box also has the Elliott's logo and the text 'with Baubles' at the top.

A black rectangular box is shown open, revealing six silver Christmas ornaments inside. The ornaments are arranged in two rows of three. Each ornament is spherical with a textured, possibly metallic or glass, finish and is tied with a small white ribbon bow at the top. The box itself is dark and appears to be made of a sturdy material like cardboard or wood.

Provide different packaging

You can tell us what you want to customize on the packaging, so that the gift box will be more in line with personalized customization.

Customer case show

The above is the ball customized by our client, showing you some effects.

If you have any needs, you can send us your logo/patter/photo, and our designer will draw a preliminary rendering for you based on your needs□

Please feel free to send "inquiries" for specific details at any time□
